Dear Sir,

LETTER OF NOTIFICATION AND REQUEST FOR SECURITY COVERAGE:

THE "SECOND CHANCE TALENT HUNT" — AJEGUNLE, APAPA

THEME: "SECOND CHANCE: EMPOWERING YOUTHS THROUGH SPORTS"

I write on behalf of Royal Crest Football Club and the Organising Committee to formally notify your office of our upcoming youth development initiative, the "Second Chance Talent Hunt," scheduled to take place in the Ajegunle axis of Apapa, Lagos State.

The initiative is designed as a strategic grassroots intervention aimed at discovering, nurturing, and empowering vulnerable youths through sports and music. By providing an alternative path and exposing raw talents to industry mentors, the programme serves as a **crime prevention and social rehabilitation mechanism**, steering young people away from cultism, drug abuse, and other societal vices.

Given the high-density nature of the venue and the expected large gathering of young participants, spectators, and community stakeholders, we recognise that proactive security management is paramount. To ensure a peaceful, orderly, and hitch-free event, we respectfully request the **deployment of your officers** for comprehensive security coverage across the three-day duration.

The operational details of the event are as follows:

Event Name: Second Chance Talent Hunt

Date: Friday 18th — Sunday 20th December, 2026

Daily Timing: 11:00 AM — 5:00 PM

Venue: Nathaniel Idowu Stadium, Owode Ora, Ajegunle, Apapa, Lagos

Target Audience: Grassroots youths, community leaders, and sports/music scouts

Est. Daily Attendance: 500 — 1,000 persons
