Dear Sir,

LETTER OF NOTIFICATION AND INVITATION FOR ADVOCACY:

AJEGUNLE ANTI-DRUG TALENT HUNT 2026

THEME: "SECOND CHANCE: EMPOWERING YOUTHS THROUGH SPORTS"

Royal Crest Football Club is proud to be hosting a large-scale community Football Talent Hunt at **Nathaniel Idowu Stadium, Owodi Ora, Ajegunle, Apapa, Lagos State, from 18th to 20th December 2026**. The event is themed **"Second Chance Talent Hunt,"** with the primary objectives of eradicating drug abuse among youths by channelling their energy and passion into sports and music.

By showcasing positive alternatives and celebrating the diverse talents of our youth, we aim to steer young people away from the dangers of narcotics and substance abuse. We formally notify your Command of this initiative and extend a cordial invitation to your **Advocacy Team** to deliver a sensitisation talk to the participants during the event.

Your Command's presence would lend significant authority to our **"Say No To Drugs"** campaign, and provide the participating youths with a rare and constructive opportunity to engage directly with your agency in an empowering and supportive environment.

We welcome the opportunity to discuss this further at your earliest convenience and are happy to provide any additional information your Command may require.

Yours faithfully,

Roseline F. Odiwe (Mrs)
